

Programming Loop Test

1. Please draw the flowchart for the following loops;
If Loop, While Loop, Do-While loop, For Loop

2. Please write the code for the following loops;
If Loop, While Loop, Do-While loop, For Loop

3. Tell me if the following tests are true or false;

If(2 <= 10) _____

If(10 == 21) _____

If(86 >= 98) _____

X = 10, y = 32, z = 22, w = 47

If (x <= z && w >= y) _____

If (x == y || z <= w) _____
